Speaker - Edwin Katabaro
Today I will do what others won't, so tomorrow
I can do what others won't.

Citi Bank - Jacksonville, FL.

Nielsen - Tampa, FL

Iron Mountain, Atlanta, GA

Facebook, Menlo Park, CA

Twitter, Palo Alto CA, Atlanta GA. Sec. Director CISO.

Team of 5 and 6 next week. security, Data, employees, tools, clients.

At start-up being proactive.

- Spend a lot of time w/ team about security.
- list
- Partner with legal, regulation, audits.
- Partner with different team to rally people around to keep the company safe.

Breach

- past employees were able to access the system.

Why cyber security?

- protecting others
- it's the future (job opportunities)
- Always changing
- Rewarding (and tiring)

Incident waits for no body. Always be available.

Career Advice

What do you enjoy?

Where do you want your career to be in 3, 5, 10 yrs

What are your goals in life?

- Start w/ the end in mind ^{ex: 20 what it takes to be on}
- Take calculated risks.

Charles Edwin made

- Married his wife
- Took roles that would be challenging
- Moved across the country many times for his career
- Networked for future opportunities.
- 1 step back, 4 steps forward
- Impact before job title
- Give back to your community
- Bonus: Spend less than you make. Save for retirement!
- ex: listen to podcast - how you can retire earlier.

AI play big part in security

- Understand of the framework, to secure it.
- Implementing AI tools, tuning, AI related tools manage it.

securities

- Maintaining good hiegn, everyone plays a role.

Security training.

Disaster recovery role...

05-14-2025.

- go online and search for question on the interviews
 - an elevator speech.
 - research on the ~~interview~~ ^{company}.
 - practice the question
 - coding practice,
- The project you learned in school,

What experiences that hiring manager is look for?
- make sure you can do ABC...

* Analytical skill.

What do you know about the company.

Write down the question when the interviewer asks.

The more interview you do the better.
