Grateful for another amazing volunteer day at Inspiredu! 🙌

My classmate Cynthia joined me and we had a blast! We helped decorate for an upcoming event, connected with the awesome staff, and shared laughs while contributing to a great cause.

Adding the final techy touch to the Christmas tree—because even holiday cheer needs a little upgrade!

Behind every device is a team of people, and today reminded me how powerful that human side of tech really is. I had the privilege to meet inspiring leaders—humble, charismatic individuals who give their all to support and uplift others.

Also—my first *Christmas party in July!* 🎄 Thank you, Inspiredu, for the invitation and the warm welcome.

I'm truly honored to be part of Inspiredu volunteers and to learn more about the incredible work they're doing for our community. Every time I volunteer, I gain hands-on experience *and* a deeper appreciation for how tech can uplift lives.
